

VON DUPRIN®

Electric strikes

**Safety, performance and quality
you can trust**

At critical moments of life safety, Von Duprin® gives you the confidence of knowing that the products you count on will perform.

Von Duprin electric strikes have been designed and tested to the highest standards in the industry to provide the assurance of quality and reliability. You can turn to Von Duprin for expertise and service at any time before, during or after installation. We offer a full line of electric strikes to accommodate a wide range of door preps and locking hardware. Whether you're deploying an electric strike in a standalone setting or as part of a comprehensive access control system, Von Duprin electric strikes are an ideal solution. Our broad portfolio includes electric strikes with a wide range of factory configurable options for new construction and specialized applications, as well as field-configurable options to fit your aftermarket needs.
